

PROTECTING AND ENHANCING ALL CONCRETE AND MASONRY.

INDUSTRA-GLOSS 350

RESIDENTIAL & COMMERCIAL • EXTERIOR & INTERIOR

- Ideal for use on concrete, masonry, brick, stone, pavers, and exposed aggregate
- Vivid color enhancement with a “wet look” finish
- Combats freeze/thaw damage
- Repels salt, oil, stains, mold, & mildew
- Non-yellowing, low VOC
- Slow-dry formula for optimal adhesion

Coverage*:

First Coat—200-300 sq. ft./gallon
Additional Coats—300-400 sq. ft./gallon

*Additional coats will yield a higher gloss and enhance overall protection.
